

PARCEL & EXPRESS

PARCEL & EXPRESS LOGISTICS MADE EASY

Is your time better spent on customers than parcel logistics?

Instead of monitoring and talking to several courier suppliers yourself, we've got access to multiple carriers, whether you need global or domestic shipping solutions.

With the all-in-one Parcel & Express booking system you will:

- Save time
- Get easy access to multiple carriers
- Get benchmarked rates for your specific shipping rates
- Get the most optimum route suggestions for your shipment
- Access to all modes of transport, including warehousing solutions

All you need to do is choose when, where, your transit time and rate, and we'll take care of the rest - including pickup at your warehouse to final delivery at your end-customer if you prefer.

Choose the solution or combination that is right for you:

Express

The need for speed

Economy

The cost-efficient solution

Parcel

Distribution all the way

Get access to the easiest way to manage your shipments:

- ✓ **One booking system** with access to multiple carriers
- ✓ **One validated invoice** - no matter how many shipments
- ✓ **One point of contact** - for any booking assistance or advice

It's a web-based, easy-to-use system designed to uncomplicate your daily logistics.

Call us today. Get started tomorrow.
