Scan Global Logistics attends ONS 2016 in Stavanger, Norway

30 Aug, 2016 | [Share](#) ↗

Known as one of the world’s most important oil, gas and energy fora, The ONS conference will be held in Stavanger, Norway on the 29-31 of August 2016. The event will provide the delegates a sneak peak in to the future of the energy world.

The focus of the conference is to gather key players, officials and ministers in the oil and gas industry to address important questions and the major international issues. The conference also aims to facilitate sharing of expertise, insights and collaboration throughout the entire global energy industry.

Strengthening the Oil and Gas industry business of the organization, the event provide Scan Global Logistics opportunity to expound the understanding of the dynamics affecting the markets and the energy industry.
