Christmas Greetings

01 Dec, 2011 | [Share](#)

The Scan Global Logistics year 2011 has in many ways been a positive experience, especially regarding the expansion of our network and of our specialist services.

During 2011 we have opened additional offices in both Russia, Vladivostok, and in Sweden, Norrköping. Further, our brand has been brought to New Zealand with Scan Global Logistics New Zealand Limited based in Auckland, from which we have already started to see very positive effects.

We handle all types of goods, from any niche sector or specialised industry. This year, our focus has been on the development of three different concepts; SGL Air Charter, Pharmaceuticals and Wind in China.

On behalf of the staff and management at Scan Global Logistics, we extend our warmest wishes for a Merry Christmas and a prosperous 2012 to you and your family.

As previous years, Scan Global Logistics will donate our value added customers' Christmas gifts to various Charity Organizations for those in need.
