

Book well in advance, the Chinese New Year is coming up

05 Dec, 2019 | [Share](#) [↔](#)

Almost every office and production facility are closing during the celebration from January 25, 2020 until February 2, 2020 when all of China is celebrating the new year resulting in limited transport options, cancellations, delayed departures and changed deadlines.

Therefore, book your rail and ocean transport as soon as possible, because there will be an overload of goods compared to the capacity before, during and after the event.

For rail freight, you can find the updated LCL schedules here:
