## Philosopher Morten Albæk joins SGL TransGroup's Advisory Council

18 Jan, 2021 | [Share](#)

Founder and CEO of Voluntās, one of the fastest-growing Nordic consultancies, Morten Albæk, joins the newly formed Advisory Council as advisor to the CEO Allan Melgaard and the Board led by Tom Gartland, Executive Chairman.

Morten Albæk is a philosopher, business executive, bestselling author, and international public speaker. The American marketing organization 'The Internationalist' ranked him among 'The 20 most Inspiring Marketers of the First 20 Years of the 21st Century' (2020) and Fast Company selected him as one of the 1.000 most creative business-people in the world (2014).

*"We are thrilled to have an international capacity like Morten Albæk joining our Advisory Council. Morten is a widely recognized philosopher, businessman, and bestselling author who is already an valued advisor and collaborator, and we are delighted to draw even further on Morten's competencies to contribute to SGL TransGroup's journey towards becoming the world's most humane and purpose-driven logistics company"* says Allan Melgaard, Global CEO.

*"I am extremely grateful to get the opportunity and the trust to become part of the Advisory Council of SGL TransGroup – a company that I already know well. In an industry usually dominated by competition based on price-point and delivery time, SGL TransGroup sets itself apart from the competitors when it comes to its human approach to doing business, which I have felt clearly ever since the first time I set foot in the company"* says Morten Albæk.

### About Scan Global Logistics

Scan Global Logistics is a global full-service logistics provider headquartered in the Nordic, who excel in uncomplicating logistics through tailored solutions made by skilled specialists, proud problem-solvers, and passionate entrepreneurs.

Since 1975, the core of our DNA has been a 'can-do-attitude', agility and the willingness to always go the extra mile and we are not afraid to go left when others go right. For us, every challenge is an opportunity. We go above and beyond to bring anything to anywhere – whether by road, rail, ocean, air, or any other modes of transportation.
