Golden Week & Mid Autumn Festival Reminder

01 Sep, 2020 | [Share](#)

This serves as a friendly reminder of the yearly holiday in Greater China.

During the period October 1-8, 2020 all factories and companies in China are closed due to Golden Week, Mid-Autumn Festival and National Holiday. Hong Kong and Macau are also closed on October 1-2, 2020 for National holidays, which naturally can cause delays in the supply chain if you do not book well advanced.

To ensure your supply chain stays intact during this period with limited capacity available before, during and after the events, we strongly recommend to place bookings at least 14 days before expected departure.

If you have any questions, please reach out to your local contact at Scan Global Logistics.
