Vital delivery of critical medical equipment to Catalanian hospitals

22 Apr, 2020 | [Share](#) ↔

In the fight against the pandemic COVID-19 medical equipment is on top of the priority list. This means that when we got the chance to coordinate an airfreight shipment of ICU monitors from Hong Kong to Spain, our team worked around the clock across and across continents to make it happen.

All ICU monitors have now been distributed to the Catalanian hospitals and we are thankful to have been a part of ensuring critical medical equipment

If you need an overview of the transport situation during COVID-19 outbreak, you can always view our customer advisories [here](#) or sign up for our newsletter including advisories [here](#).
