New name for growing business

12 Apr, 2021 | [Share](#)

On April 1, Contract & Ecommerce Logistics changed its name to SGL Fulfillment & Distribution.

Why?

Simply put, the business offerings have out-grown the product name.

Today, contract and e-commerce logistics are not our only offers to you; final-mile delivery, fulfillment, and distribution are, too.

The new name, SGL Fulfillment & Distribution, embodies the product's true essence.

So now, our services and our name are aligned with what we do: Fulfillment & Distribution. Scalable to optimize your business journey, adjustable to peak seasons, ups, and downs.

Nothing else changes; we are the same

Only the name changes. We still handle and simplify your fulfillment and distribution requirements in the same way, with the same people, in the same locations. For a long time, customers have not identified us with e-commerce alone; now, our name don't either.
