New CEO of Scan Global Logistics appointed and change of Chairman of the Board

25 Aug, 2015 | Share 

We are pleased to announce that the Board of Scan Global Logistics A/S (SGL) has appointed Mr. Jesper Nielsen to the CEO of Scan Global Logistics' Group of companies. Mr. Nielsen is expected to join our company as of February 1st, 2016.

Jesper Nielsen joins from DHL where he has served for the last 10 years. During the past four years Jesper has held the position as CEO Global Forwarding Nordics/Baltics. Prior to his time with Exel/DHL he worked in the industry in different management positions based in USA, Europe and China. Jesper is 42 years old, married with three children living in the Copenhagen area.

Our present CEO, Henrik von Sydow will move to become Executive Chairman of the Board when Jesper
