Nov 16, 2015 | Share

**Following up on last year's rewarding event, Scan Global Logistics will be attending the Global Humanitarian & Development Aid Event, AidEx 2015.**

AidEx is the only event of its kind, taking place in Europe for buyers and suppliers of humanitarian and development aid.

**Taking place on 18-19 November 2015 in Brussels**, AidEx is the annual opportunity for humanitarian and development aid professionals to come together to shape the future and to facilitate improvements in the delivery of humanitarian aid and development.

AidEx has been created with direct input from major NGOs and includes an exhibition, conference, practical workshops and networking opportunities. See the Conference Agenda on the AidEx 2015 website.

Scan Global Logistics looks forward to meet with customers, both old and new, so that we can discuss the latest developments in the services offered by Scan Global Logistics. This year we will be part of "The Danish Pavillion" stand, which is arranged by the Ministry of Danish Trade and Development.
